“It is a matter of immense pleasure for us that the E-Newsletter of first quarter of the academic session 2021-2022 of Kendriya Vidyalaya No. Alwar is ready to provide a wide spectrum of ideas with many shades of colour depicting the efforts, hopes and creativity of blooming dales. E- Newsletter is one of the most awaited internal publications, which chronicles various activities of the primary students and the primary wing of the school in general. Dear students and respected parents we have to combat against the disastrous pandemic caused by COVID 19. Let's always wear face mask and maintain proper social distancing. I convey my best wishes to the contributors and also to the editorial team for this creative endeavour.”
